Welcome to the **allthingsIC: Hub**

The Hub is a confidential environment for internal communication practitioners. It’s your space to come and learn, network with peers and invest time in yourself.

**LOCATION**
Saunders House is a three-minute walk from Ealing Broadway station. Turn left when you exit the station and walk along The Broadway until you reach a set of lights. You will cross the main road at the lights next to Metro Bank, heading towards Halfords. Turn left and walk along The Mall. Saunders House is 200ft along this road. Walk past the Cancer Research shop and the church. Cross over Windsor Road and keep going past the shops. When you get to Foxtons Estate Agents on your right-hand-side, you’re moments away as Saunders House is just beyond it. There is a bus stop just outside.

When you arrive, our friendly reception team will direct you up to the All Things IC Hub on the first floor.
